

Immigration Form Filling Support Waiver

We are not Immigration Advisors and can offer no Immigration advice. We cannot give any advice related to your particular case, or offer any help on what you should do.

We can help you fill out forms and provide information that is publicly available on web sites, immigration operational manuals etc.

You are filing this form out and you are responsible for its contents. It is important you put all correct information in this form. We are not responsible for any missing information.

Please sign below to confirm you understand that we can only offer support filling the form out, and cannot offer any advice related your particular case.
